EXPLANATORY NOTE

The Magna Carta for Public School Teachers otherwise known as Republic Act No. 4670, was envisioned to provide programs for the promotion and improvement of the well-being and economic status of public school teachers.

Years after its approval, it is sad to note that most of the provisions of the said Magna Carta have yet to be enforced.

Hence, this bill mandates the Department of Education to fully implement RA No. 4670 and provides for the enforcement of sanction on officials of the said department in case of neglect or omission of the said duty.

Moreover, the Secretary of the Department is directed to submit to the President and the Congress a periodic report detailing compliance with the aforementioned mandate.

This bill shall also provide additional benefits and privileges will make certain that public school teachers will receive what is due them.

In view of the foregoing, early approval of this bill is earnestly sought.
