CONSTITUTIONAL AMENDMENTS AND REVISION OF CODES

Gregory Shaffer, Tom Ginsburg, Terence C. Halliday, editors. 2019. ***Constitution-making and transnational legal order***. Cambridge : Cambridge University Press. 1 online resource (xiii, 320 pages) : digital, PDF file(s). (Series: Cambridge eBook Collection) (Full text access only available inside the library).

Constitutions have been seen as an embodiment of national values and identity. However, individuals, ideas, and institutions from abroad have always influenced constitutions, and so the process is better described as transnational. As cross-border interaction is increasing in intensity, a dominant transnational legal order for constitutions has emerged, with its own norms, guidelines, and shared ideas. This work explores and examines constitution-making in every region of the world.
